"Alumnae All,

Peace!

It is so exciting to see the attempts to create more Chapters in the United States and to seek out those in Europe. Please keep me informed.

Just filling you in on a few things as we begin the final term.

The girls continue to do well in different areas. The Track and Field team placed 12th out of 113 girls teams. And just in case you missed these articles in the Gleaner, please browse.

[ICHS wins Math competition](#)

[CXC 2008](#)

This month our musicians will sit the Trinity Guild Hall and Royal School of Music exams. For the first time Grade 7 students will sit the Trinity Guild Hall exams in Speech.

On another note, please keep the school community in prayer. Last Thursday a Grade 9 student, Janelle Galbraith, died in UHWI's ICU. She was a sickler, went to the hospital on April 1 for knee surgery. That was successful, but she developed pneumonia then complications with her heart. She died last Thursday. Her sister, also a sickler, is in Grade 12 and her mother joined the staff of ICHS in September 2006 as IT teacher. Her father is pastor at Saxthorpe Methodist. Fr. Mike Heine (the friar who gave the homily at the Thanksgiving Service for Pia) will have a session with Janelle's classmates.

Many special blessings this Easter season.

Sr. Angella
